“Development Projects: Thai Success Stories”

By DR. SUVIT YODMANI

Former Minister of Tourism and Sports of Thailand,
Founding Director of the National Identity Board,
Vice Chairman and Secretary-General of the National Identity Foundation,
Chairman, Green Leaf Foundation (Tourism and Environment),
Chairman, Asian Elephant Foundation

In his presentation, Dr. Suvit will focus on the role and scope of various development projects in uplifting the well-beings of the rural Thai communities, which have contributed positively toward the success of Thailand’s national development. Many of the success stories have been considered as best practices to be shared and a model for development **and humanitarian projects** for other developing countries, including Afghanistan, Tanzania, and Lesotho.
